MEMORANDUM FOR [Redacted]

SUBJECT: IDEALIST Accesses

The attached messages are forwarded for your consideration. There are several potential issues involved, the primary one being should the CHURCH DOOR (IDEALIST/TACKLE) predetermined flight routes be routinely provided to 314 ADIV and major command headquarters? If the flight routings are provided, should it be at the TOP SECRET LIMDIS level for CHURCH DOOR or at IDEALIST/TACKLE level? *wrong premise*

[Redacted]

Recognizing that this is a complex issue, if you wish to meet with us to discuss the matter, please let me know. DIA is on a short suspense and this matter must be resolved as soon as possible.
